VOLUNTEER EXPECTATIONS

First things first, this commitment is flexible. This means that there is no requirement to cover all listed days/hours. We request that all volunteers choose areas of confidence and comfort.

Commitment: Volunteers are expected to adhere to their agreed-upon schedule consistently to provide stable support to students and instructors.

Attendance: Regular attendance is crucial. If an availability change occurs, volunteers should notify the Youth Development Coordinator as soon as possible.

Reliability: Volunteers should fulfill their assigned tasks responsibly and complete them to the best of their ability. If assistance is needed, please reach out to a staff member for support or clarity. Arrive on time for scheduled sessions and stay for the full duration of the commitment.

Communication: Maintain open and timely communication with instructors and the Youth Development Coordinator, including updates on progress and any challenges faced.

Feedback: Participate in periodic reviews/surveys and provide constructive feedback to help improve the program's effectiveness.

Preparedness: Be prepared for each session by reviewing any materials or instructions provided in advance. Each class has an Instructor who can provide you with this information.

Engagement: Actively engage with students and staff, fostering a positive and productive environment.
